

Who can resist this face??

Because Neroh's been patiently waiting for his fur-ever home for so long, his adoption fee has been waived! His no-cost adoption includes all vetting as well as neutering.

Neroh is a 2-year-old, 55-pound pitty mix who's full of love. He's well behaved, knows his basic commands, and even has a few tricks to show you!

Neroh is a loyal pup who will thrive in a loving home. This intelligent, medium-energy dog is sure to be a great addition to your household!

This boy loves taking walks, heading out for car rides, and playing in the yard. He's also perfectly happy to chill at home and play with his toys or chew on a treat.

Neroh is both house and crate trained. He's non-destructive and doesn't have to be crated since he's such a good boy. He'll be waiting for you to come home every day!

Neroh needs to be placed in a home without cats or children under 13. He also requires a fenced-in yard. Since he'd rather be the king of the castle, he needs to be the only dog in the household or share it with another female dog. With the right match, he could potentially be placed with a non-dominant male dog.

Let Neroh be your sweetheart this Valentine's Day! He'll be your loyal, constant companion. Fill out your application today!
